24/7 access to human resource management tools and information.

The Solomon Coyle HR Support Center is made possible through our partnership with Mammoth HR, the premier provider of on-demand HR products and services for small and medium-sized enterprises. Direct support by Mammoth HR focuses on best-practice management of your company's employee-related legal, regulatory, and compliance issues. Additionally, Mammoth HR has an affiliate base that includes 250+ payroll service bureaus, 150+ insurance brokers and agents and various other organizations that are potential resources for your business.

Start by signing up for HR Advisor, our monthly newsletter providing legislative and regulatory updates, tips, alerts, reminders, and feature articles on common workplace issues. Subscriptions are free for Solomon Coyle clients.

Enjoy self-service online access to our HR Support Center's enormous information resources, including state and federal employment laws, HR Policy Library, Quick Guides, HR Forms, Job Descriptions, eAlerts, Checklists, Definitions and more.

Or take the On-Demand Upgrade option and get unlimited real-time phone and/or email consultations with Mammoth HR's team of certified HR specialists. They can customize their assistance to your location(s), size and culture.
