Welcome!

Enrollment is **now closed**for the **Fall 2026** session of Solomon Coyle's Project Management Training for Steelcase Dealers.

Please email us at support@solomoncoyle.com to indicate your interest in the Winter session scheduled to start in March 2027.

About the Program

Project Management Training for Steelcase Dealers is a specialized professional development program designed for people who manage or support contract furniture projects. Steelcase endorses the program and encourages dealer participation.

Fall 2026 Class Schedule

Instructors David Solomon and Shelley Rosetta share methods, tips, and techniques to help your dealership avoid costly mistakes, reduce and eliminate margin erosion, enhance profitability, and increase customer satisfaction. Each session is designed to provide you with an unbeatable interactive learning experience with the convenience of connecting from your workplace, job site, or home office.

If you have questions regarding the class schedule, Microsoft Teams, or other administrative matters, please email support@solomoncoyle.com.

Classes are held from 1:00-2:30 pm ET on Tuesdays and Thursdays.
