The **ITR Market Index Subscription** gives your team quarterly access to exclusive webinars featuring top economists from **ITR Economics**, one of the most trusted forecasting firms in the U.S. With Solomon Coyle's industry-specific insights and ITR's macroeconomic intelligence, you'll gain a strategic edge in business planning and forecasting. Each quarter, Solomon Coyle hosts a live webinar featuring ITR economists who present timely economic analysis and translate trends that directly impact the contract furniture industry. You'll gain:

- Deeper, broader insights grounded in economic expertise
- Cross-industry trend translation to better anticipate change
- Actionable guidance to strengthen your short- and long-term strategy

About ITR Economics

Founded in 1948, ITR is the oldest privately held economic forecasting firm in the U.S., with a **94.7% forecast accuracy rating**. Their economists have correctly predicted major market events like the 2008 recession—years in advance—making them one of the most reliable sources of insight available today.
